**Full Time Position Available
Children's Services Trainer and Assessor**

NuSkills Learning and Development is seeking a full time trainer in Children's Services to join our team. This role involves utilising your significant skills in children's services and your passion for teaching and learning to create positive outcomes for trainees and students. The role includes being able to facilitate class room teaching and one to one training, as well as in-service assessments to support our client base. Clients include existing worker and new worker groups and individuals.

Applicants for this exciting position **MUST** have:

- Diploma or higher qualification in Children's Services
- Certificate IV or higher qualification in Training and Assessment
- Extensive experience in the children's services industry
- The ability to do some out of hours work (primarily evenings)
- A current driver's license

It is also desirable that applicants will have:

- A positive attitude - we're a fast moving team!
- A willingness to learn

If this sounds like you and you're interested in applying or would like more information, please call Noel Jensen on (02) 6293 6571, or email: noel.jensen@nuskillslearning.org . Applications close Wednesday 28 July 2010.
