Read testimonials from children, staff and family about Abacus Child Care & Education Centre:

Child:

I like coming to Abacus because I like playing with my friends and my teachers. I like the *Teddy Bears Picnic in the Park* and seeing my photos. I like Milo and I like my birthday cake. I like my teachers and that makes me happy at home.

Staff:

I really enjoy coming to work at Abacus each day, spending time with the children and their families. It is a great environment, where real partnerships develop between families and staff, creating a strong support network for both the child and their family. The personnel at Abacus are friendly and professional and a great team spirit exists here at the Centre.

Family (1):

We have been part of the ABACUS family for 4 years. The kindness and understanding we received from the staff when our first child was welcomed into the Centre meant an enormous amount to us all. Abacus has had a vast and positive influence on our children's busy little lives.

When the time comes to leave ABACUS it will be a very sad day indeed. We look forward to keeping in contact with all the friends we have made along the way.

Family (2):

Abacus is a lovely centre. The staff are warm and friendly and really care about the children. Our daughter has been with the centre for four years, and our son has just started. They both really enjoy it and are thriving. The development programs for the kids are really well structured, the catering provides a healthy and varied menu and staff and management are approachable and responsive to feedback and suggestions.
