

Ngunnawal Child Care & Education Centre Testimonials

Read testimonials from children, staff and family about Ngunnawal Child Care and Education Centre:

Child (1):

"Mummy I didn't cry for you today, 'cos I love day care." **(Raychell – 3 years)**

Child (2):

"I like it here. You get to play with toys. You learn how to pack away. The fruit is nice and I like my teachers." **(Alli – 4 years)**

Staff (1):

Communities@Work made big changes to our work environment when our Centre merged as one of theirs in July 2008. Staff members were provided with new resources that were much needed and children have the opportunity to participate in fun, interesting activities which encourage them to explore and learn.

C@W improved our outdoor playground dramatically. Our Toddler area now has a beautiful wooden cubby house and the children love to play in it every day. The Pre-school area has large garden pots for growing herbs and flowers and the children excitedly look every day, to see the growing progress. Even the Technology Education Area (yes, we have that too) was not forgotten! A brand new "state of the art" computer desk is put to good use every day by our Pre-schoolers.

An additional resource provided by C@W includes a bus, which we use for the children's excursions. Our first bus trip took the children to the Tulip Farm, the next was to visit and play at the Junior Holiday Program in Wanniasa.

The new management is committed to giving their staff every opportunity to build on their current skills in order for them to gain further qualifications for their future career in child care. Quarterly Workshops on relevant child care topics is just one example of the ongoing training we receive. **(Dana)**

Staff (2):

I feel comfortable and happy at Ngunnawal. I have been here for five and a half years and I enjoy working in a big child care centre. I enjoy the quarterly training workshops and I like that staff can "bank" any extra hours worked. **(Anamika)**

Family (1):

My children have really benefited from attending the Ngunnawal Child Care and Education Centre. Their learning skills have advanced and they love it!" **(Jessie - Parent)**

Family (2):

My 4 year old twins, Abbie and Samantha, have been attending Ngunnawal Child Care and Education Centre since September 2008. The environment is warm and loving. The staff are always friendly and approachable about any issues. I have had experience with child care in the past, none comparing to the Ngunnawal Child Care Centre. The office staff are always helpful and friendly and try to accommodate everyone wherever possible. My girls have truly flourished under the care and teaching that they receive at the Centre. I always feel confident when leaving them in their care. This has made my adjustment back into the workforce as stress-free as possible. I would recommend the Centre to anyone looking for occasional or full time care.

(Cindy Bailey – Parent)

it's
about
you.
Always!
