Children:

I love the Pre-school Room because I have lots of friends. I love playing with puzzles and listening to stories during group time together with my friends. I especially like setting up outside in the mornings together with Rosemary, because I love to help my teachers. **(Mackenzie)**

I go to the Pre-school Room and my favorite thing is playing with play-dough and puppets, together with Peter and Rosemary. I especially like riding the bikes together with my friend Jai. **(Erik)**

I am 3 years old and I am now a big boy. I love playing outside, especially riding the monster bike, playing in the sand pit and playing with Evan and James who are my favorite friends. I also like group time and singing with Rosemary, especially the *cat song* and the "*wheels on the bus*". I am very excited about being a big pre-schooler but I might sometimes want to go back and visit the intro room because I know the staff will miss me and I will want lots of special cuddles. **(Ronin)**

Staff:

My first few days at Tuggeranong were great as Management made me feel welcome and are supportive. I enjoy being with the children and the staff and there are many opportunities for me to improve my professional development through the variety of workshops offered with C@W. **(Rosemary Yanes, Pre-school Teacher)**

I really enjoy working for C@W as they provide me with various career path options and the staff are helpful and kind. Coming to work every day is not like work at all and I am always happy starting my shift. **(Peter Tanaskovic, Pre-school Room)**

Family:

My child has been at the Tuggeranong Child Care and Education Centre since he was an infant and in that time I have always found the staff to be very supportive and understanding. They are open to communication at all times and are excellent with the children and their development. **(Matt Pearson, Parent - Preschool Room)**
