Drip & Drop make a Splash at the Weston Creek Community Carnival

The undoubted stars at the Weston Creek Carnival on Sat 24 October were be *Drip & Drop* - two very cute wet characters.

Drip & Drop were teaching children about water conservation. Drip said, "he hopes to be able to reach out to children and educate the next generation on how to look after our most precious resource: **Water**"!

The sixth annual Weston Creek Community Carnival, coordinated by Communities@Work, was held from 11.00 am – 4.00 pm just adjacent to Cooleman Court with the whole community came out to enjoy the great weather and over 50 information and market stalls. This year's event had something for everyone, including environmental workshops in the community garden, T-Shirt stencilling at the Youth Centre, roaming Circ Xtreme performers, traditional Egg & Spoon and Sack races and snakes from Tidbinbilla Nature Reserve.

This year's event is assisted by the ACT Government and major sponsors include Cooleman Court, Richard Luton Properties and the Weston Club.
