## **WESTON CREEK – A GREAT PLACE TO LIVE!**

This year's 'Weston Creek Spring Carnivale' held on election day was voted *"the best festival I have ever attended"* by one of the young families attending.

A survey on the day revealed that what most people enjoyed about the day was the great community atmosphere – it was a friendly, safe place to be with lots of activities for the children, fantastic music and a great day out for all ages. This year's theme was Carnivale with CircXtreme roaming the crowds and highlight performances from Queen Juanita and Questacon 'making science fun'!

Communities@Work staff and volunteers worked hard to make the day a success. To ensure young people in the area were well catered for a special Skate Competition with prizes, and a live band, was held at the nearby skatepark.

An estimated 4,500 attended the event. Many of Canberra's 'Not for Profit' services was able to use the event to raise funds. 'OzHarvest' (Canberra's perishable food rescue charity) raised \$400 from their great Aussie sausage sizzle.

The event was assisted by the ACT Government and supported by sponsorship from the following businesses.

- Coleman Court - A Mirvac Managed Centre
- The Weston Club
- Richard Luton Properties
- Coffee Guru
- Real Estate Australia
- Edge Health Club – Weston
- The Wise Academy

Thanks to all those involved and thank you Canberra!
