

## **Respite Options ACT Mental Health Support Workers**

Respite Options ACT is a new federally-funded service in the ACT. This new program offers flexible and innovative respite options to meet the individual needs of carers and of care recipients.

**We are looking for two dedicated casual support workers for this program.**

This is an exciting opportunity with a dynamic, expanding organisation committed to enhancing choice for carers and care recipients in our community.

**Communities@Work offers attractive conditions of employment including access to professional development.**

For more information contact Sue Lawler on 6288 4744, or email [sue.lawler@commsatwork.org](mailto:sue.lawler@commsatwork.org) after 9am Monday 7 July 2008.  
Applications close on 11 July 2008.

*It's about you. Always!*
