**Meet and greet with Michael Bevan at  
'Celebration of Families'**

The seventh annual 'Celebration of Families' family fun day co-ordinated by Communities@Work will be held on Saturday 10 May 11am – 3pm on the foreshores of Lake Tuggeranong. Former international cricketer and Canberran, Michael Bevan, will be at this year's event to officially launch National Families Week in the ACT. Cricket fans are invited to bring along their memorabilia for a meet and greet session with Michael.

'Celebration of Families' is free and an opportunity for all families to have a social day out without placing any stress on the family budget. This year there will be a special 'welcome to the festival' - a smoking ceremony and didgeridoo to open the event. Rides and activities are free, and include a giant slide, tea cup ride, a babies jumping castle, pony rides, patting farm and kids at play. There will be information stalls and free entertainment for all the family. The program includes Fresh Funk Dance Troupe, Strange Weather Gospel Choir, Mily Loves Chili, Tony Haley and John Donnellan as "Frank Sinatra & Dean Martin", Kyokushin Karate demonstration, Legs Dance, The Tahinis (belly dance), and the Jumpin Gateway Choir.

An added attraction this year will be a range of delectable delights to buy and feast upon. The Jetty Café will serve delicious home-style treats down by the lake, Coffee Guru will be there along with Outdoor Oven serving baked potatoes. There will be Dutch Pancakes and the ever popular Rotary Sausage Sizzle will be back again this year.
