We need good quality business attire & accessories

Suits for Men & Women | Dresses & Skirts | Ties
Jackets & Pants | Shirts & Tops | Handbags | Accessories

For many who are unemployed, on low incomes or who have experienced a life-changing event, it can be a real struggle to meet the cost of suitable clothing for a job interview, work experience or other special events.

Your donation will support our clients.

Due to the nature of our programs we are unable to accept clearly worn clothing and accessories or casual clothing or accessories such as jeans or thongs. Surplus clothing will be sold to raise funds, which is used to purchase high-demand items in short supply for our community pantry.
