## Customised Training

### Your team, your place, your choice.

We offer an extensive range of professional development and workshops tailored to meet the unique needs of your service. Customised training is a great way to build the quality and capacity of your service with instructors who understand the specific needs of individual educators. Customised training is offered in your own environment, accessible to your whole team. It not only brings about a change in practice but also saves you money.

**Customised Training Rates**  
Starting from \$260.00 an hour

Our consultants' areas of expertise span across all quality areas and approved learning frameworks. These are some popular options:

## Mentoring and Coaching Support

Would your service benefit from a professional mentor or coach? Our consultants have extensive knowledge and first-hand experience implementing the National Quality Framework. We adopt a whole-of-service approach, supporting services with their ongoing learning to deliver quality outcomes for children and families. NQS support assists a service to further develop their practice and builds the capacity of the service and educators.
