

## COMMUNITY CONNECTOR STORIES

Are you a Community Connector? Share your story about how you brought people in your neighbourhood/community together in a one-off activity or an ongoing project.

**What activity/project did you set up to bring people together?**

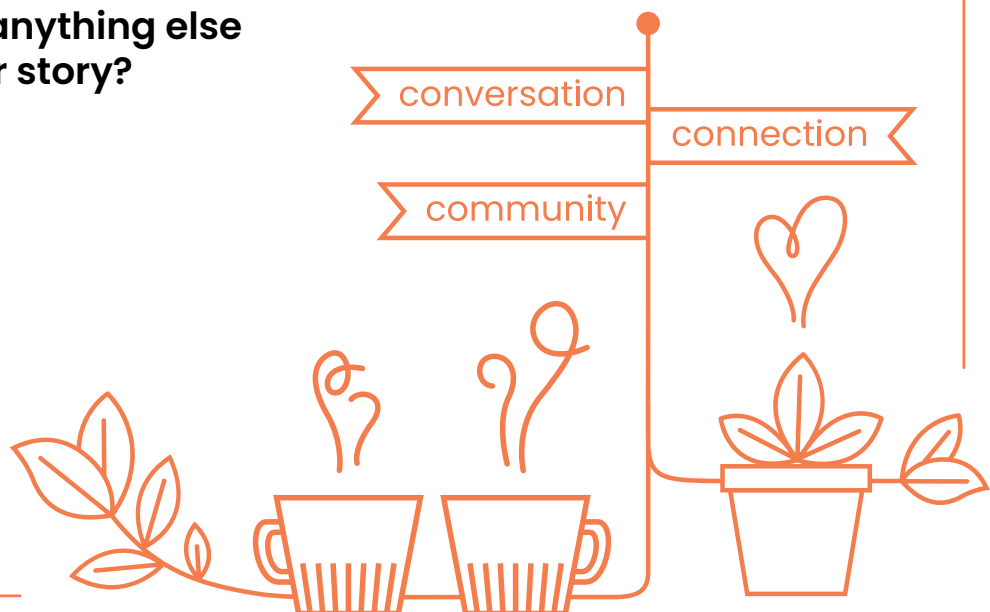

**Who did you involve?**

**Where was it located?**

**How long has the activity/project been going for?**

**Has there been any other connections made through the group?**

**Would you like to add anything else that adds value to your story?**
