Learning and Education

UPSKILL WITH CPLE!

Get ready for an exciting year of training and development with the Centre of Professional Learning and Education (CPLE), Communities at Work's very own Registered Training Organisation (RTO 88148).

Our round-the-year professional development workshops arm you with skills and knowledge across various areas. Grab this chance to level up in your career, and book into your preferred workshops today by visiting our website. You can also sign up to become a VIP to access exclusive pop-up workshops outside of this regular training calendar on the website.
